All Products include a FREE customized gameplan. All gameplans include prizes and prize money donated by Accel Sports Fundraising, FREE brochures, FREE program envelopes and any packaging needed is FREE (Zero Risk). All products provide virtually unlimited potential of profit and average profit per program is currently more than double the industry average.

Available Fall & Early Winter:

Club Card \$10

- Our popular Club Card is where Accel Sports Fundraising got their start. This program is designed for groups to offer a great gift for each \$10 donation they receive. By partnering with local merchants our Club Cards are designed as a discount card for local restaurants and activity centers listed on the back with the presentation of the team colors and graphics on the front.
(Minimum sales required. Inquire for details)

Gold Card \$20

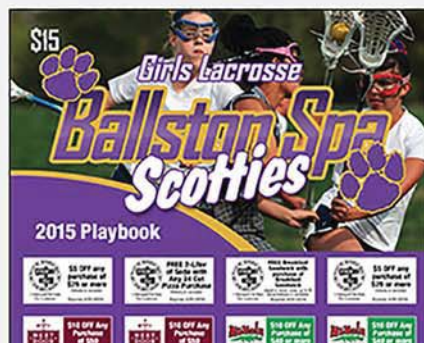

- Our Gold Card \$20 program is designed for schools that need to raise more money with their card program. The increase in price allows us to include more profit per card to our groups and allows us to build additional benefits/discounts into the card itself. The Gold Card \$20 includes keytags with additional discounts for popular merchants.

Available Spring Time Only (minimum 2 month preparation time needed):

Community Playbook

- Our Spring Activities Club Playbook is full of great activities, restaurants and shops for the local community. The book comes customized to your team or club with customized graphics. What makes the Playbook unique is the 48 coupons that are perforated for using one time at each merchant. Because of this the discounts are usually generous and make the book worth \$100s in savings. We offer the Playbooks in either \$15 or \$20 version with different profit margins for both pricepoints.
